I, Jody Wood, the Owner and Operator of this friendly, fun atmosphere, dining destination would like to thank our dedicated staff of 16, without whom none of this would be possible.

I love living in the Crowsnest Pass in the small town atmosphere and I spend as much time as I can in the outdoors. I have met many wonderful people throughout the years and I look forward to continuing to do business here in the Crowsnest Pass at The RumRunner. Our Kitchen Manager is Tim May, from England, has been here for six months and came to Canada with his wife Nikki May, who also works at The RumRunner and is also an amazing chef. Prior to coming to Canada he served 25 years in the British Army as a Kitchen Manager and Chef serving all over the world. He has always had a passion for cooking and became a chef for the challenge. Tim's inspiration to create great meals is satisfying the customers, so they enjoy their dining experience. Monique Pitts is our Bar manager and has been with us for four

years, she moved here from Nova Scotia with her fiancé John Paul and is well loved and respected in the community and at The RumRunner.
